

TIPS

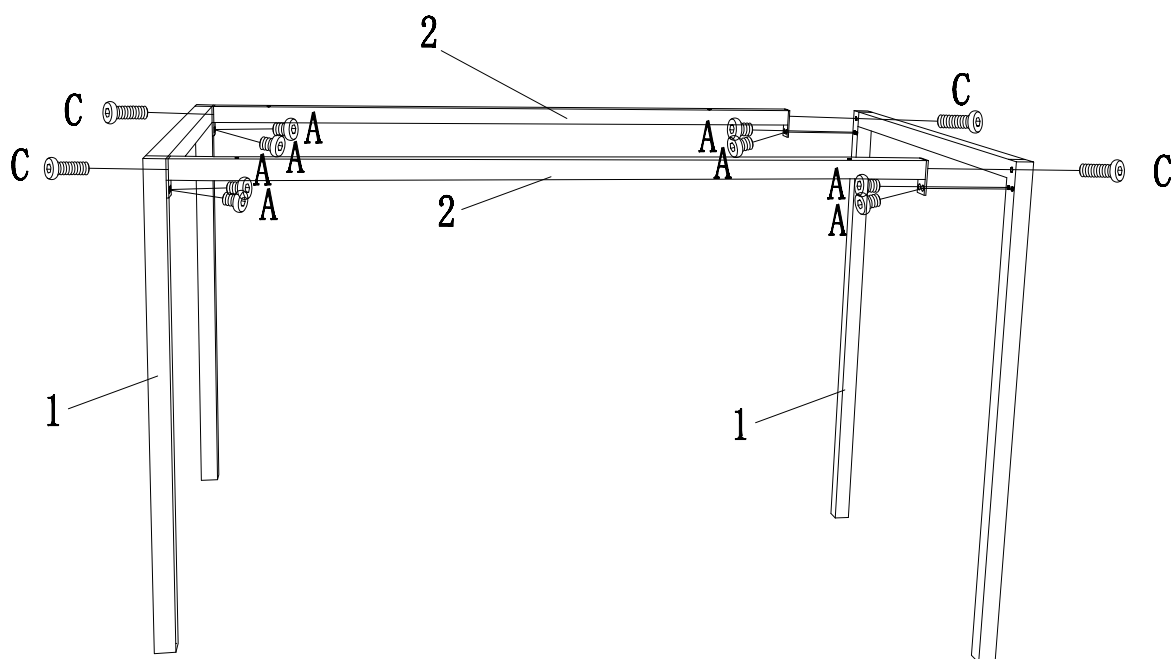

1. This product will be shipped in 2 separate packages. They may not arrive at the same time. Please be patient.
2. Thank you for your purchase! We have worked hard to provide you with high-quality products. In the rare event that your product is damaged, parts are missing, or you encounter any problems during assembly, please contact our customer service team to receive the missing parts, assembly instructions, or warranty support. We will provide you with the best solution as quickly as possible. To help us resolve your issue faster, please provide us with pictures that clearly show the product problem. Thank you!
3. Insert the screws into the holes and tighten them, but do not tighten them completely at first. Tighten them to about 70% – 80%, then, after all the screws have been inserted, tighten them fully. If some screws cannot be aligned with the holes or some parts are difficult to install, please adjust the tightness of the screws accordingly.
4. It is recommended that 2 people assemble this product.
5. Note: Please use the correct screws exactly as instructed in the assembly manual. Otherwise, the wooden panels may be damaged.
