

TIPS

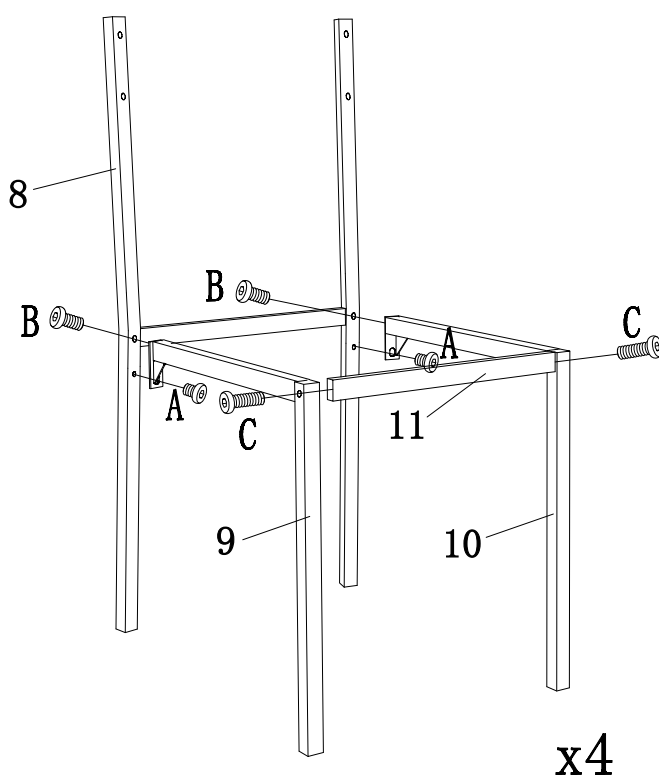

1. This product will be shipped in 2 separate packages. They may not arrive at the same time . Please be patient.
2. Thank you for your purchase! We are committed to providing high-quality products. In the rare event that your product is damaged, parts are missing, or you encounter any problems during assembly, please contact our customer service team for assistance with replacement parts, assembly instructions, or warranty support. We will provide you with the best possible solution as quickly as possible. To help us resolve your issue more efficiently, please provide clear photos showing the product problem. Thank you!
3. Insert all the screws into the holes and tighten them only to about 70% – 80% at first. After all the screws have been installed, fully tighten them. If some screws do not align with the holes or certain parts are difficult to assemble, please adjust the tightness of the screws accordingly.
4. We recommend that 2 people assemble this product.
5. Note: Please use the correct screws exactly as shown in the assembly instructions. Using the wrong screws may damage the wooden panels.
